

Breeders' Cup FanFest 5K

Monmouth Park is proud to host the 2007 Breeders' Cup World Championships Friday, October 26 and Saturday, October 27.

This will be the first time racing's richest and most prestigious event has come to New Jersey.

The Breeders' Cup FanFest 5K is your chance to be part of the excitement!

Join us for a "day of 5K racing" on October 20th.

Charitable Affiliations

The **Monmouth Park Charity Fund** was incorporated in 1947 by the founders of Monmouth Park Racetrack to raise and distribute funds to local social service agencies in Monmouth County. To date, over \$8.3 million has been distributed to a list that has grown to over 50 deserving agencies in number.

For 60 years, Monmouth Park has graciously hosted the Monmouth Park Charity Ball Committee and its various fund-raising activities.

The Breeders' Cup FanFest 5K is one of these events, combining the professional talents of Monmouth Park with the volunteerism of the community. This unique coalition of Monmouth Park Racetrack and the Charity Ball Committee has benefited the people of Monmouth County for many years, and, with your financial help and participation, will continue to work on behalf of the needy in our community for years to come.

Oceanport Volunteer Emergency Services joins the event as a community partner, and will share as beneficiary in the race proceeds for the 2007 Breeders' Cup FanFest 5K. The Oceanport Volunteer Emergency Services include Oceanport First Aid, and the two fire companies, Port-au-Peck Chemical Hose and Oceanport Hook and Ladder. They provide volunteer emergency services to the community and are supported by the Borough of Oceanport, however, they rely on fundraising and contributions to operate.
