Habitat for Humanity of Long Branch is a Christian-based ecumenical, non-profit organization dedicated to building decent, affordable housing. We are unique in that we rely mostly on volunteer labor, include the homeowners in the actual building of their house, sell the house at cost, and hold the thirty-year, no interest mortgage on the house. To qualify for a Habitat house a family must live in substandard housing (poorly maintained, unsafe, overcrowded, and/or too expensive), have a combined family income between \$25,000 and \$37,000, and be willing to partner with Habitat.

We have completed eight homes in the last ten years and are currently working on two more on Valley Drive in Middletown Township (Navesink).

If you wish to make a donation or volunteer your services in one of the many capacities needed, please contact us at the above phone number or web site or send to the above address.
