Join Autism Speaks as we change the future for all who struggle with autism!

The NJ Shore Run Now for Autism Speaks will take place on the same day as the NJ Shore Walk Now for Autism Speaks. We are adding this 5K event due to requests from runners who have walked with us in the past and would love to run along this exceptional stretch of boardwalk.

Starting just North of Pier Village, this long, wide stretch of boardwalk along the ocean attracts runners from all around the tri state area.

Today, it is estimated that one in every 110 children is diagnosed with autism, making it more common than childhood cancer, juvenile diabetes and pediatric AIDS combined. Help us change that! Register today.
